Re: Letter of Intent to Establish a New Chapter

Dear iaedp Foundation Leadership,

I am writing to formally express my intent to establish a new chapter tentatively titled the _____ Chapter.

As a committed member in good standing, I am inspired by the mission and values of the iaedp Foundation, and I see a strong need for local engagement and support within our community. Our region includes a growing number of professionals and stakeholders who would benefit from the education, networking, and professional development opportunities that a chapter provides.

Our proposed chapter will serve _____, and we are committed to upholding the organization's standards, ethical practices, and inclusive spirit. We believe a local chapter will:

- Expand awareness of the iaedp Foundation mission and services
- Foster local professional development, peer support, and collaboration
- Support the certification and continuing education goals of members
- Create a sustainable and engaged leadership pipeline
- Reflect the diverse voices and needs of our local community

Currently, we have identified a group of members committed to serving as officers and forming the foundation of the chapter. We are currently gathering the necessary information and volunteer commitments to meet the requirements set forth in the chapter formation.

We kindly request your support and guidance as we proceed with the application process. Please let us know the next steps and any resources available to assist in the launch and compliance process.

Thank you for considering our request. We look forward to partnering with the iaedp Foundation to build a strong, inclusive, and impactful chapter in _____ .

Warmly,
